## South Elgin Police Department Business Contact Form

In an effort to provide the best possible service to the South Elgin business community, the South Elgin Police Department is asking all businesses to complete the form below. The information provided will not only allow for a quicker and more efficient response time in the event of a police, fire, or medical emergency, but it will also provide information necessary for the police/fire dispatch center to contact someone from your business in the event of an emergency at your business. If you would take a few minutes to complete the form, it can be returned to the South Elgin Police Department, 10 N. Water St., South Elgin, IL 60177; by fax (847) 888-0052; or call (847) 741-2151 and an officer will be sent to pick up the form. Please contact SEPD as your emergency contact information changes. Thank you for your cooperation.
