## South Elgin Parks and Recreation Waiver and Release of All Claims

### IMPORTANT INFORMATION

The Village of South Elgin Parks and Recreation Department (the "Village") is committed to conducting its recreation activities in a safe manner and holds the safety of participants in high regard. The Village continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for this activity must recognize that there is an inherent risk of injury when choosing to participate in skating activities.

You are solely responsible for determining if you or your minor child/ward are physical fit and/or adequately skilled for recreational activities. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

### WARNING OF RISK

Recreational activities are intended to challenge and engage the physical, mental and emotional resources of each participant. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity. Depending on the particular activity, certain risks and dangers may exist due to inclement weather, slips and falls, poor skill level or conditioning, carelessness, horseplay, unsportsmanlike conduct, lack of safety equipment, inadequate or defective equipment, failure in supervision and instruction or officiating, and premises defects. It is impossible for the Village to guarantee absolute safety.

I recognize and acknowledge that there are certain risks of physical injury to participants in the activity(ies), and I voluntarily agree to assume the full risk of any injuries, damages or loss, regardless of severity that my minor child/ward or I may sustain as a result of participating in any and all activities connected with or associated with the activity(ies). I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this activity against the Village, including its officials, agents, volunteers and employees (hereinafter collectively referred as "Parties").

I do hereby fully release and forever discharge the Parties from any and all claims for injuries, damages or loss that my minor child/ward or I may have or which may accrue to me or my minor child/ward and arising out of, connected with, or in any way associated with the activity(ies).

I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering online or via fax, my online or facsimile signature shall substitute for and have the same legal effect as an original form signature.

Photos and video footage are periodically taken of people participating in activities, attending a class or event, or using Village facilities or property. Please be aware that by registering for a class, participating in an activity, attending an event or using Village facilities or property, you authorize the Village to use these photos and video footage for promotional purposes in Village publications, advertising, marketing materials, brochures, event flyers, social media (Facebook, YouTube, Instagram, Twitter, and other social media sites operated by the Village), and the Village's website without additional prior notice or permission and without any compensation to you.
