LAWN IRRIGATION PERMIT WORKSHEET

DESCRIPTION

Description of Work:

SUBMITTAL CHECKLIST

- If someone other than the owner/occupant is installing the lawn irrigation system, the installer must submit a copy of their Illinois State Plumbing License.
 - If someone other than the owner/occupant is installing the lawn irrigation system, the installer must submit a copy of their Irrigation Contractor Registration.
 - If someone other than the owner/occupant is installing the lawn irrigation system, the installer must submit a letter of intent.
 - Provide a plat of survey (11" x 17" max.) showing all existing structures (with dimensions) and indicating the location of the lawn irrigation system.
-

Village of South Elgin
Lawn Irrigation Permit Fact Sheet

MINIMUM REQUIREMENTS:

1. Installation of a lawn irrigation system must follow the current IL State Plumbing codes for plumbing.
2. A cross-connection control device (RPZ) is required on each lawn irrigation system. Please Note: This device will be required to be professionally tested each year. This testing will be verified by the Village annually. 51.46
3. It is a violation of this Code to construct or install an underground sprinkler system or maintain an underground sprinkling system in any parkway, street, alley or other public right-of-way in the Village. 50.18
4. J.U.L.I.E. (811) must be notified two (2) working days prior to digging.
5. The installer is responsible for following manufacturer's specifications.

Requirements listed are general requirements only; additional code requirements may apply to your project. Covenants are regulated by your Homeowners Association; covenants are not enforced by the Village.

PERMIT FEE:

1. \$55 which includes the required plumbing inspection. Payable when permit is issued.
2. \$75 fee, if a reinspection becomes necessary.

INSPECTION REQUIREMENTS:

1. A final plumbing inspection when site is restored and cross-connection control device (RPZ) is tested.

Failure to schedule an inspection will result in penalties.

SUBMITTAL REQUIREMENTS:

1. Complete, sign and date the permit application.
2. If someone other than the owner/occupant is installing the lawn irrigation system, the installer must submit a copy of their Illinois State Plumbing License.
3. If someone other than the owner/occupant is installing the lawn irrigation system, the installer must submit a copy of their Irrigation Contractor Registration.
4. If someone other than the owner/occupant is installing the lawn irrigation system, the installer must submit a letter of intent.
5. Provide a plat of survey (11" x 17" max.) showing all existing structures (with dimensions) and indicating the location of the lawn irrigation system. Provide a plat of survey (11" x 17" max.) showing all existing structures (with dimensions) and indicating the location of the proposed structure (with dimensions).

Permit applications **will not** be processed without complete information. The Community Development Department does not require submittal of social security numbers. Black out social security numbers on any documents prior to submittal.
