Village of South Elgin
Public Right of Way Permit Fact Sheet

MINIMUM REQUIREMENTS:

1. No person, firm or corporation shall hereafter construct, build, establish or maintain any pavement or improvement, across or upon any portion of public right-of-way without first having obtained a written permit to do so from the Village. (See Village Code § 50.04)
2. The subdivider, contractor, builder or resident shall indemnify the village and its consulting engineers against any personal injury claims or other claims resulting from the performance of any work in connection with the installation of public improvements. All contractors working on public improvements shall be required to obtain and maintain comprehensive general liability and other insurance as prescribed below (and as approved by the village) which will provide protection from any of the aforesaid claims which may arise out of or result from the performance of work by anyone directly or indirectly employed by the contractor, or by anyone for whose acts the contractor may be liable:
 - a. Workers compensation and employer's liability insurance in an amount not less than limits required by statute.
 - b. Comprehensive general liability insurance including coverage in the amount of \$500,000 per accident for property damage and \$1,000,000 per person and \$3,000,000 aggregate per accident for bodily injury, sickness or disease, or death of any person.
 - c. Comprehensive automobile liability insurance covering all automobiles, trucks, trailers and any other motorized equipment owned or leased by the contractor.
3. A contractor shall not commence work until he has had a preconstruction meeting with the village and has filed with the village a certificate of insurance in a form approved by the Village Attorney showing complete coverage of all insurance required, signed by the insurance companies or their authorized agents. Each certificate shall provide that coverage shall not be terminated or reduced without 30 days advance written notice to the village and its engineers. The contractor shall name the village and its engineers as additional insureds on the comprehensive general liability and automobile liability insurance policies. (See Village Code § 153.071 and § 50.04)
4. The installer is responsible for following manufacturer's specifications.

Requirements listed are general requirements only; additional code requirements may apply to your project.

PERMIT FEE:

1. \$100, which includes the required final inspection.
2. Consultants Fees, TBD.
3. \$75 fee, if a reinspection becomes necessary.

INSPECTION REQUIREMENTS:

1. A pre-construction meeting with Public Works is required prior to commencing work. All required inspections will be defined at this meeting.
2. A final inspection is required upon completion of work to verify compliance with plans and specifications covered by the Bond. Failure to schedule an inspection will result in penalties.

SUBMITTAL REQUIREMENTS:

1. Complete, sign and date application.
2. Provide detailed plans/ project description.
3. Provide a list of materials to be used.
4. Submit insurance certificate (see above)
5. Provide cash bond.
6. Provide a timeline for the project.
7. If applicable, sign the special mailbox waiver.

The Community Development Department does not require submittal of social security numbers. Black out social security numbers on any documents prior to submittal.
