Re: Temporary Liquor Rules for South Elgin

As the Liquor Commissioner for South Elgin I have been given the right per the March 19, 2020 Illinois Liquor Commission guidance to temporarily allow certain changes to the local liquor law. I do this in an effort to help your business survive these unprecedented times and I wish you all luck in your endeavors. The following rules have been changed in South Elgin effective today and until the Governor lifts the current stay at home order.

1. All local license holders are allowed to deliver packaged liquor to customers that come to your establishment for pick up or curbside/ parking lot delivery.
2. Packed liquor for these purposes include only those that are packaged by the manufacturer and remain unopened (No open containers or on-site mixing allowed).
3. Home deliveries are not allowed at this time.
4. All curbside or on-site sales must be conducted by an employee that otherwise meets all local liquor laws. The employee is required to observe the appearance of the recipient at a safe social distance, and if necessary, require the examination of the recipient I.D. to ensure they are over 21. If such observation cannot be accomplished while respecting safe social distancing, the alcoholic liquor shall be returned with full refund.

If you have any questions regarding this matter, please email me at sward@southelgin.com and I will get back to you as soon as possible.
